

# Worth Township Youth Commission's American Red Cross Babysitting Class

Are your children babysitting or in charge of their younger siblings for any length of time? Would they know what to do in an emergency? Children are now back in school and we need to make sure our kids know what to do to keep themselves safe along with their siblings when they get home after school.

If your child is 11 years of age or older, please consider having them take the American Red Cross Babysitting Class held at Worth Township. Participants will learn how to stay safe, what to do in an emergency, how to recognize and handle a variety of behaviors and how to start and manage their babysitting business including writing their own resume. Babysitters will be trained and certified in American Red Cross CPR and First Aid.

Classes are Tuesdays and Thursdays for three weeks for a total of 12 class room hours. Participants must attend each class in order to be eligible for certification.

If you have any questions, please call us at the Worth Township Office at 708-371-2900 X45 during regular business hours, or email [youthcommission@worthtownship.com](mailto:youthcommission@worthtownship.com) and we will be happy to answer all of your questions.

Participants who attend all classes and meet class requirements will be American Red Cross Certified in Babysitting, CPR and First Aid. Most importantly, their new knowledge and skills will make them a more confident babysitter. *Must have a minimum of 5 participants to hold class.* Classes are held in the Youth Commission Office on the second floor of the Worth Township building.
